

JAMIE ANDERSON

Background

In the whirlwind of our fast-paced professional lives, we often find ourselves racing forward without taking a moment to reflect on our journey. For mid-career business people and entrepreneurs, this can be a costly oversight. The Career Compass program is a transformative experience that encourages individuals to pause, reflect, and chart a more intentional course for their future.

CAREER COMPASS TWO DAY PROGRAM

DATES

16-17 November 2023

7-8 December 2023

Facilitators

Jamie Anderson is Professor of Leadership & Strategy at Antwerp Management School and Visiting Professor at INSEAD. Jamie has been named as a “management guru” in the Financial Times and has also been included on a list of the world’s “top 25 management thinkers” by the journal *Business Strategy Review*.

Bernard Moerman is Associate Lecturer in Leadership at Antwerp Management School and Visiting Professor at the Indian School of Business. He is an executive coach, two-time TED Speaker and consultant in the field of Organizational Change and Lifelong Learning. Prior to shifting his focus to the corporate sector, Bernard spent more than two decades as a talent manager, coach, mentor and Team Director in the world of elite-level cycling.

“Jamie and Bernard are accomplished mentors who have supported scores of individuals to achieve great things in work and life. I highly recommend this program for people who want to become the best that they can be.”

*Michael Rogers, Head of Innovation
UCI Switzerland*

About

One of the most significant challenges faced by mid-career professionals is the feeling of being stuck in a rut or unsure about the next steps in their careers. The Career Compass Program addresses this head-on by creating a dedicated space for self-reflection and introspection. Participants are encouraged to step away from their busy lives and immerse themselves in a structured environment designed to foster deep personal insight. The shared experiences and diverse backgrounds of fellow participants serve as a powerful source of motivation and support.

Who’s it For?

- You are a leader, manager, entrepreneur, or functional expert with at least ten years of career experience
- You are at a phase in your life where you need to make conscious decision about your future
- You are constantly busy and struggle to find the time to make the time for personal reflection and planning
- You are striving to better understand and connect with your values, talents, and purpose
- You feel a desire to find your “why” in life and to be inspired in the work that you do
- You sometimes find it difficult to juggle the competing priorities of your work, relationships and your personal passions and hobbies

Take aways

Discover your Values
Grow your Talents
Pursue your Passion
Make an Impact

Fees

The program fee is 1495 euro per person*

*Fee is exclusive of accommodation expenses & VAT where applicable

“The Career Compass Program inspires you to have self-belief and to pursue your talents and your passions. It helps you to understand the wider meaning of success, and what it means to live with purpose.”

Patrick Leysen - CEO Xylos Belgium

Outcomes

- Disconnect from the daily grind to gain the mental space needed to reevaluate your skills, talents, and passions
- Gain better clarity about your career and life goals
- Engage with experienced mentors who will provide invaluable insights and perspectives
- Be better equipped to make conscious decisions about your next career steps
- Navigate your future with renewed confidence

All participants receive a certificate of completion

Learning Methods

- Pre-program webinar
- Two-day face-to-face seminar
- Interactive lectures and plenary discussions
- Small group work and individual reflection
- Evening dinner & networking event
- Post-program coaching session

Location

The seminar is held at the Flandrien Hotel. Located in the heart of the Flemish Ardennes in Belgium, the Flandrien Hotel is an inspiring location with beautiful rooms, seminar facilities, art gallery, spacious grounds and fitness centre. Participants can extend their stay for optional cycling or hiking in the region.
