

Accommodation & Facilities – Cyclocross Season 2023-24

WINTER RESIDENCE PROGRAM

“The Flandrien Hotel is just an awesome location for anyone thinking of racing cyclocross in Belgium. The facilities are amazing, and the warm welcome you will receive from Ann, Bernard and Jamie will make you feel like you are staying at a home away from home.” Heinrich Haussler

About the Flandrien

The Flandrien Hotel offers a unique experience for cyclocross riders, with a full range of facilities and services to give you complete peace of mind during a period of training and racing in Belgium. Our facilities are unmatched by any other cycling accommodation in the region, explaining why the Flandrien has become the destination of choice for individual riders and teams. The Hotel has been the official partner for AusCycling, Cycling New Zealand and Cycling Norway.

A highlight of the hotel for Cyclocross riders is its fully equipped Technogym Fitness Centre with Smart Trainers and Technogym Ride bikes which enables indoor training even when the weather is cold and wet outside. There is a nearby forest for Cyclocross skills training.
